DR. COUDEN

Will devote special attention to the treatment of

all forms of Cancer.

His skill and experience in this field of

medicine is truly astonishing, without a parallel,

in the ability to cure, and all

experts in the medical profession are apparently

in agreement that they surpass their own practice.

Grant only an assessment of Carlhart &

Cooper, and you will be convinced of the

truth of what I say.

He has been successful in curing

all forms of Cancer.

He has removed and preserved, and if desired will enter

the houses of cases cured throughout the country.

He has treated all forms of Cancer, and

has made a full recovery.

By this measure he can cure

any vital part, the eye, large blood vessels, heart,

lungs, liver, kidneys, etc.

He has a new and successful remedy for removing

large and various tumors.

He has a regular practice invited to

call and examine my patients of cancer.
